SUMMARY

Detail-oriented React Developer with hands-on experience in designing, building, testing, and deploying full-stack applications using JavaScript, React.js, Node.js, and MySQL. Strong understanding of SDLC, Agile practices, API integration, debugging, automation and performance optimization. Quick learner with excellent analytical, problem-solving, and communication skills. Eager to contribute to scalable, client-focused technology solutions.

TECHNICAL SKILLS

Languages: JavaScript, HTML, CSS

Technologies/Frameworks: React.js, Bootstrap, Node.js, MySQL

Developer Tools: VS Code, Postman, Git, GitHub

Soft Skills: Communication, Adaptability, Willingness to Learn, Punctuality, Problem-solving.

CERTIFICATION COURSE

FULL STACK DEVELOPMENT (MERN)—Vcentry Technologies (2024)—Chennai.

PROJECTS EXPERIENCE

Travelix - Travel & Hotel Booking Application

- Developed a responsive travel & hotel booking platform by translating business requirements into functional UI and backend features.
- Built user authentication, dynamic routing, and booking workflows based on client requirements to ensure a seamless customer journey.
- Implemented state management optimization, improving load time and user flow efficiency across modules.
- Integrated REST APIs to handle destinations, hotels, and booking data with secure data transactions.
- Performed testing, debugging, and validation using Postman to ensure quality delivery aligned with SDLC standards.

Tech Stack: React.js, HTML, CSS, JavaScript, Node.js, MySQL

Fashion Store – E-Commerce Web Application

- Built a responsive e-commerce platform by analyzing client business requirements such as product browsing, cart management, and secure checkout flow.
- Integrated product APIs and implemented efficient state management, improving UI performance and user experience.
- Followed SDLC and Agile practices, handling requirement analysis, implementation, testing, and version control with Git/GitHub.

Tech Stack: React.js, HTML, CSS, JavaScript, Node.js

EDUCATION

B.E. – Electronics and Communication Engineering (ECE)

Saranathan College of Engineering, Trichy.

CGPA: 80%

Sep 2019 - Sep 2023

Higher Secondary Education

Sowdambikaa Matric Hr. Sec. School, Thuraiyur, Trichy.

Percentage: 70.5%

Jun 2017 - Apr 2019

ADDITIONAL INFORMATION

Languages: English and Tamil.

Awards: Participated in the Final Round of the National Level Smart India Hackathon – 2022.
